Happy Jack Mines
Four Corners Mines

Dear Mr. Daniels:

Enclosed is a completed MR Form 1 for each of the above mining operations. These are existing mines that have been worked prior to May 1975 and are still producing. We are finalizing detailed reclamation plans for each of these operations and will forward the completed plans to your office as soon as possible.

Atlas Minerals has now filed on all of our active mining operations in the state of Utah.

Thank you for your assistance.

Sincerely,

Brad Clark
